Dear SPE Supporter:

The Twenty Fifth Annual Society of Petroleum Engineers Tennis Tournament (Gulf Coast Section) will be held on November 14<sup>th</sup> & 15<sup>th</sup>, 2008 at The Houston Racquet Club (713-464-4811) located at 10709 Memorial Drive in Houston, Texas. We had a very successful tournament last year with over 120 players participating and contributing over \$15,000 dollars to the SPE Scholarship Fund, a record-breaking two and a half times over the amount raised in the previous year.

Sponsors are a welcome and essential part of making this event a success. 100% of the net revenue from the tournament is used to supplement the SPE Scholarship Fund for graduating seniors interested in a career specializing in the Oil and Gas Industry. We need your support, please.

In an effort to increase the percentage of the donation, we are also inviting your company to be a sponsor of the tournament by donating prizes which will be given away at the awards ceremony with due recognition of your organization. All sponsors will be recognized in the tournament program and on the sponsorship billboard that is exhibited throughout the tournament. Please see Sponsor Form for sponsorship levels. We appreciate your support, and if you need more information please call.
