Educational & FUN!

A screenshot of a YouTube video player. The video title is "Introduction to Simprentis OilSim". The video content shows a woman in a purple shirt looking at a laptop screen displaying a map. Text overlaid on the video reads "YOU ARE AN OIL AND GAS COMPANY" and "EXPLORING THE UPSTREAM VALUE CHAIN". The video player interface shows a play button, a progress bar at 0:27 / 1:36, and a subscribe button with 6 subscribers. The video has 553 views.

OBJECTIVES

- **Opportunity for Learning, Creativity AND Competition**
- **Proceeds from the fundraiser benefit the SPE-GCS Scholarship Fund**
 - SPE GCS has supported 33 new scholarships for incoming college freshman studying Petroleum Engineering, math and sciences
 - SPE GCS has renewed 70 scholarships which include sophomores, juniors and seniors for their continued education in Petroleum Engineering
 - The OilSim Competition Fundraiser would like to *add to these numbers* in 2015!
- **OilSim Competition Fundraiser**
 - Participants are grouped in teams and each team acts as a virtual petroleum company in the business simulation OilSim (offered by Schlumberger / NeXt for this event!)
 - The Team Challenge is to Explore and Discover Oil and Gas, then Create and Implement a Plan for Developing the Fictitious Field, and Finally Operating it until it is Abandoned.
 - An Experienced OilSim Instructor Guides the Participants through the Process.
- Sponsors are welcomed and an essential part of making this event a success.
