

Texas A&M University
Society of Petroleum Engineers
Student Chapter
 Department of Petroleum Engineering
 College Station, TX 77843-3116

Dear Industry Partner,

On behalf of the Texas A&M University Society of Petroleum Engineers Student Chapter, we would like to invite you to the 2017 SPE Sporting Clays Tournament on **Friday, October 27th, 2017**. We have previously enjoyed excellent industry support and participation and hope this year will be no different. This will be an excellent opportunity for companies to meet students from the department and for students to interact with professionals in the industry.

By participating in this fundraiser, you will help students connect with industry, as well as provide funds that will go towards the operation of the SPE student chapter for 2017/2018.

The 2017 Sporting Clays Tournament will be held at Tonkaway Ranch in College Station, TX. We would like three industry representatives and two students per team, but will fill teams as necessary. If you or your company would like to be a sponsor, please return the following form to the email listed below by October 6th, 2017. For more information about Tonkaway Ranch, please visit their website: <http://www.tonkaway.com>

	2.		

Return your completed application to:

taylorb2019@tamu.edu

Upon receiving your entry application, TAMU SPE will contact you for confirmation on a **first come first serve basis. Please submit your application by email.*

Additional Information:

Tonkaway Ranch requires shooters to supply their own gun. Ear and eye protection are required for each shooter. You may bring golf carts for personal transportation on the course. The stations are spaced within walking distance of each other, and we will have shuttles from the end of the course back to the beginning. If you have a disability, we will provide on-course transportation if requested.
