Board structure 2017-2018

Young Professionals

Past year in a nutshell

2016-17 YP

- Exceptional **Community Outreach** activities, over 15 events and 400 volunteers
- **Membership** engagement with universities and community colleges in the Gulf Coast Section
- Multiple **Professional Events**, great speakers, various locations, sponsored locations
- Effective external **Communications** through social media, Connect Magazine, and other SPE outlets
- Great **Networking Events** with SPE committees and other professional societies in Houston
- Two amazing conferences, **EES** and **RNC** hosted over 700 attendees, 30 speakers, and 2 CEO keynote address
- Smooth **Treasury** logistics and good corporate **Sponsorship**. Net income of ~\$33,000 with 44% profit margin

Exciting year ahead!!!

2017-18 YP

Continue and expand activities from last year
with especial focus on

- Delivering professional development and networking opportunities for **members and student chapters** in GCS
- Supporting our **local communities** with outreach activities and more involvement
- Partnering with other SPE YPs (regional and global) and professional societies, providing more visibility for new **YP initiatives**
- Promoting dynamic interactions between YP and **SPE committees**, leveraging **resources** to meet and exceed expectations
- Host **valuable events** within proposed budget
