

## SPE-GCS SECTION SPONSORSHIP OPPORTUNITIES

---

### Mission and Objectives

SPE-GCS Sponsorship charitable donations at the corporate level support events that support the SPE-GCS Scholarship Endowment Fund. SPE-GCS Scholarship Endowment Fund donations provide financial assistance to petroleum engineering students to aid in the development of their future careers in the oil and gas industry. By making a tax-deductible donation to the Scholarship Endowment Fund you are directly impacting the future engineers in the Gulf Coast Section.

See the sponsorship levels and benefits below. Proceeds from this sponsorship fundraising will benefit the SPE-GCS Scholarship Endowment Fund, which has awarded more than \$3 million in scholarships since 1963 to local engineering students. Please support this scholarship fundraising opportunity! SPE-GCS is a 501 c3 organization (tax ID 75-2001539).

Please contact Taylor Wright (SPE-GCS Manager) at [spe-gcs@spe.org](mailto:spe-gcs@spe.org) for more details.
