

SPONSORSHIP OPPORTUNITIES for 2019-20 PROGRAM YEAR

SPE-GCS INNOVATE COMMITTEE

Mission and Objectives

The Society of Petroleum Engineers (SPE) is one of the largest individual member societies with more than 164,000 members in 143 countries. It's Gulf Coast Section (SPE-GCS) has about 15,000 members in the 29 county area surrounding Houston.

The objectives of the SPE-GCS Innovate Committee:

To foster an environment that promotes innovation in the oil and gas industry by advancing knowledge and enabling collaboration between entrepreneurs, investors, and organizations.

Benefits of sponsorship

Sponsoring the SPE-GCS Innovate Committee throughout the 2019-2020 year will bring increased visibility to your organization as an Innovator Leader among the oil & gas community and goodwill from stakeholders. Sponsorship opportunities include advertising your company logo on the SPE-GCS Innovate Committee website, <https://www.spegcs.org/committees/innovate/>.

In addition to improving visibility among the professionals in the oil and gas industry, event sponsors are also entitled to the following benefits.

Benefit / Sponsorship Level	Platinum \$6,000	Gold \$4,000	Silver \$2,000	Bronze \$500
Logo on SPE-GCS Innovate webpage for 2019-2020 year	✓	✓	✓	✓
Complimentary Registration to all Innovate Events	4	3	2	
Verbal Recognition at Innovate Events*	3 events	2 events	1 event	

*Does not include the 2020 IES

IMPORTANT: These sponsorship levels support the greater SPE-GCS Innovate Committee. Sponsorships for each event put on by the SPE-GCS Innovate Committee and Innovation & Entrepreneurship Summit Sub-Committee have separate sponsorship packages.

For more information on sponsoring the SPE-GCS Innovate Committee for the 2019-2020 year and sponsorship packages for specific Innovate events please contact Andrew Weaver, AWeaver@Polsinelli.com. For information on sponsoring the SPE-GCS Innovation & Entrepreneurship Summit please contact Cooper Gill at Cooper@Biota.com or Rex Bomer at RBomer@Cameron.Slb.com.

Where does the sponsorship money go?

The funds donated to SPE-GCS, a non-profit organization, are used to sponsor high performing students in the Gulf Coast region during their college years. The funds aim to encourage and increase interest in the petroleum industry among graduating seniors and retain students currently enrolled in petroleum related academic disciplines. The funds also support programs in area primary and secondary schools to encourage students to develop their abilities in “STEM” - Science, Technology, Engineering and Mathematics.
