The following is the webinars and virtual events SPE GCS pricing guideline for all Study Groups and Committees:

2-4 Hour Event (Recommend Rates)	\$35	\$50	\$25
All Day Event (Recommend Rates)	\$65	\$75	\$35

Considerations:

- 1- All SG/Comm to follow this pricing guideline as minimum for each event
- 2- SEF donation Op-out (discount) to remain in place
- 3- It is encouraged that the MiT, Students and retiree's attendance is limited to a fixed number or not more than 15% of the expected attendance.
- 4- GCS Volunteers registration:
 - a. Each SG/committee Chair is responsible to manage the volunteer's registrations to ensure it adheres to the SPE code of conduct. Each chair should apply his/her criteria to promote and ensure the people who worked on coordinating and setting up the event, or that will actively participate in an event (moderator, host, co-host, etc.) are able to attend. The SG/Committee chair should use their discretion on a case-by-case basis to address this.
- 5- Speaker(s) registration is free
- 6- Sponsorships: it is highly encouraged that each SG/Committee seeks sponsors for the events.
