Subject: Petroleum Engineering Scholarships

Here's an opportunity for your company to help the Gulf Coast Section of the Society of Petroleum Engineers attract talented high school students to the petroleum engineering industry. You can be a sponsor of the Society of Petroleum Engineers - Gulf Coast Section (SPE-GCS) 2010-2011 Petroleum Engineering Scholarship Program. The funds your company provides will be used to grant scholarships to graduating high school seniors from the Houston area who are pursuing petroleum engineering related studies in college.

Sponsorships can be given in any monetary amount. Any sponsor who contributes \$3,000 or more will have a named scholarship, but we welcome cash contributions as low as \$100. All donors will be acknowledged in the SPE-GCS newsletter and highlighted in a presentation at our annual SPE-GCS awards banquet.

Thank you to all the individuals or companies that sponsored scholarships last year: Anadarko, BHP Billiton, Chevron, Southwestern Energy, Champions Technologies, Devon Energy, Schlumberger, Quantum Energy Partners, Vallourec & Mannesmann Tubes, and Shell. We hope that these same companies and more will sponsor scholarships for our recipients.

Checks can be made out to Society of Petroleum Engineers - Gulf Coast Section. Please reference the check to 2010 SPE Scholarship Sponsorship. Mail to the attention of Kathleen MacLennan at the SPE-GCS office at 10777 Westheimer Road, Suite 1075; Houston, Texas 77042. For tax purposes, The Society of Petroleum Engineers (SPE), Inc. is a 501 (c) (3) nonprofit educational organization with a tax number of 75-2001539.
