

Value for Your Membership—the SPE Insurance Program

As part of its membership benefits, the Society of Petroleum Engineers is pleased to sponsor the SPE Insurance Program. The Program is made up of insurance plans which have been specifically designed with the needs of members in mind. One of the major advantages of these Plans is their portability, for insured members may keep their coverage regardless of whether they are employed, work as independents, or are between jobs.

Plans in the Program include a variety of health, term life, disability, dental, long term care, and supplemental plans. A recent addition to the Program is personal lines coverage which includes auto, homeowner, and umbrella liability insurance.

The Program is overseen by the Committee on Group Insurance which takes its responsibility to the members very seriously. Member W. Burt Nelson represents SPE on this Committee and currently serves as its Chairman.

More information about the SPE Insurance Program, including the Plan descriptions, rates, and applications, may be found on the Program's website at www.speinsurance.com, by e-mail at speinsurance@agia.com, or by phone at 800-337-3140.
