

## [SPE-GCS Volunteer Opportunity – Assist Your Local High School in STEM Education!](#)

**Interested in supporting your local high school in science and math? The (SPE-GCS) has a program that will meet your aspirations!**

### **Leader:**

**Dick Murphy** (SPE-GCS member, retired Marathon Oil Company engineer) – [stancal@windstream.net](mailto:stancal@windstream.net) - Contact him!

### **What Is This?**

Volunteer tutors work closely with the teachers, helping to explain the concepts to the students and giving them more individual attention.

**Focus:** Physics, Chemistry, Biology, Math – mainly “on-level” classes

### **Where:**

- Fort Bend ISD High Schools: Dulles, Austin, Clements
  - Katy ISD High School: Taylor
- Don't have to be in these school districts to volunteer there

### **Requirement:**

Science, Engineering or Business degree

### **Commitment:**

½ of one day per week or more for a semester; which weekday is flexible – ensures continuity of effort, gains trust of teachers and students; take your vacations when you want.
